Magento & NAV/BC

100% Integrated eCommerce

COMPETITION IS FIERCE FOR ONLINE SELLERS

With big budget retailers using their might to capture customers, make it so easy for your customers to buy from you, that they wouldn't think of going anywhere else.

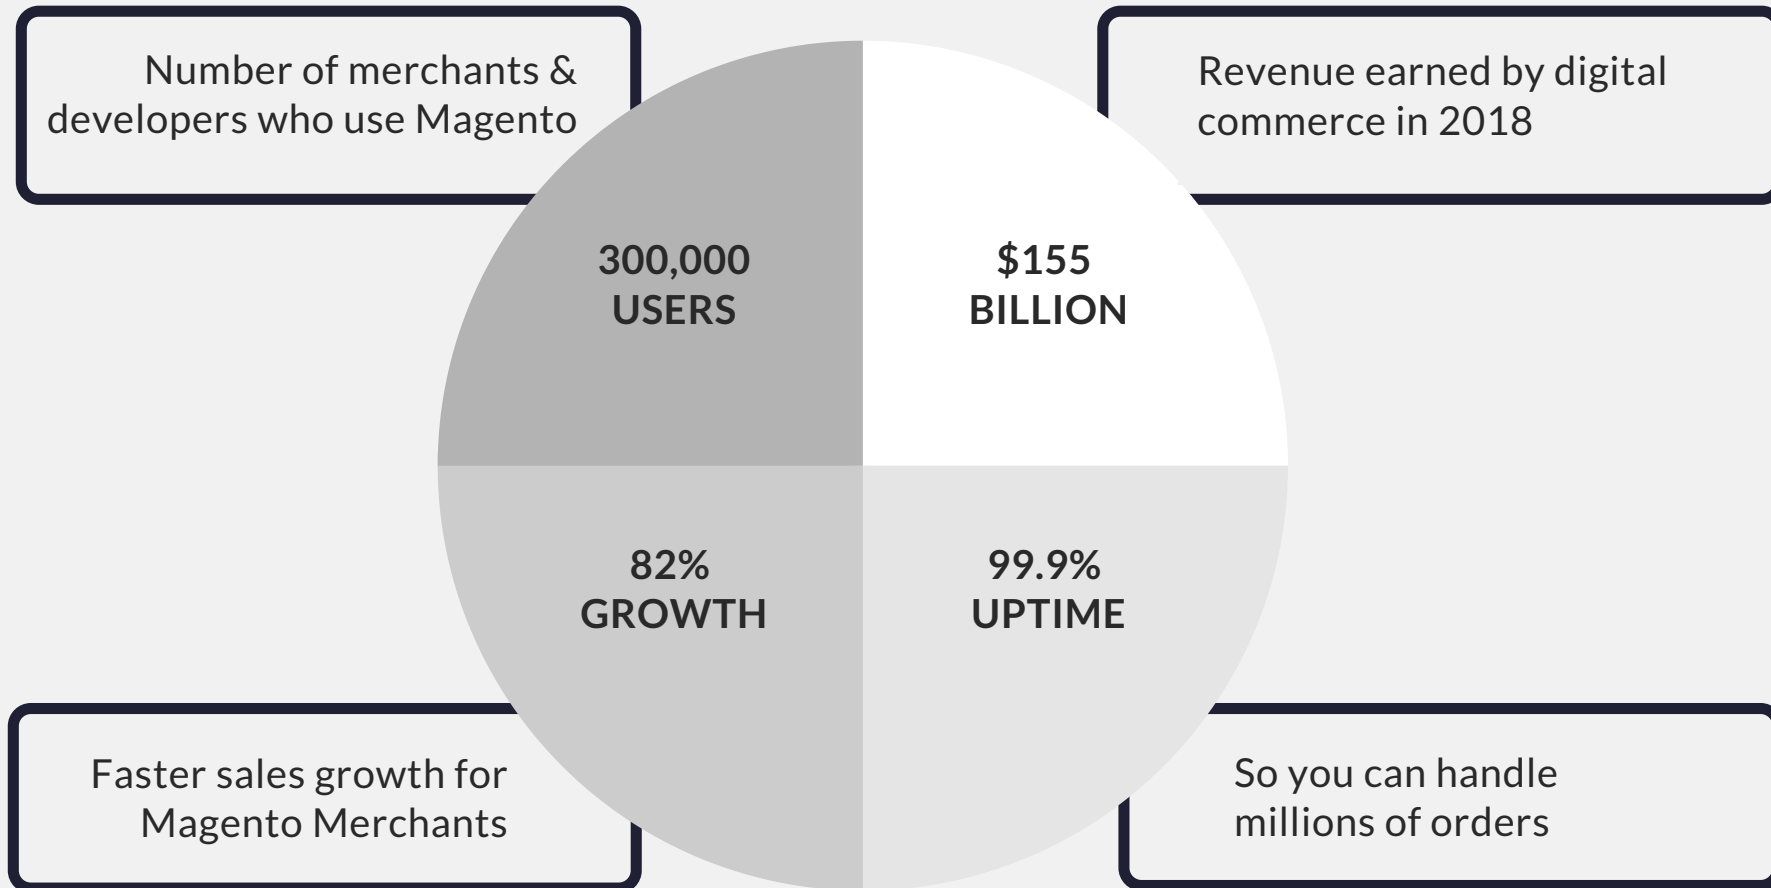

How to Keep Your Online Customers:

Give them an end-to-end best-of-breed eCommerce platform, Magento, that is 100% integrated with Microsoft Dynamics NAV/365 Business Central (H2 release).

B2B & B2C

**BRING YOUR ONLINE
CUSTOMERS BACK
TO ORDER MORE**

WHY MAGENTO FOR YOUR WEBSHOP? IT'S THE LEADING ECOMMERCE PLATFORM

LAUNCHING A WEBSHOP IS NOT SO DIFFICULT... BUT STAYING IN-SYNC WITH YOUR ERP CAN BE.

- NAVcommerce is an **ERP focused e-commerce** solution.
- Extend your Microsoft Dynamics NAV or Business Central with everything you need to sell online.
- Seamlessly integrates all data with one or more Magento store fronts.

LEVERAGE
YOUR ERP DATA |

QIXAS CHOSE IDYN NAVCOMMERCE TO DELIVER 100% INTEGRATED E-COMMERCE FOR DYNAMICS NAV/BUSINESS CENTRAL + MAGENTO

All your business data sits in Microsoft Dynamics ERP.

That's the app your employees already know how to work with.

Add images, item attributes, rich texts, categories and everything you need to run an online shop

And do it from inside Microsoft Dynamics.

Why not run your Magento eCommerce directly from NAV/Business Central?

GO AHEAD. CROSS-SELL, UP-SELL, JUST BE SURE TO SELL-SELL

When your webshop customer selects a product from your Magento website, take the mystery out of the transaction.

Buying a Display Monitor? They'll never forget the extra adapters because you'll suggest it to them.

Easy to setup right inside your Dynamics ERP. You know, the app you already know how to use.

WHAT HAPPENS WHEN YOUR WEBSHOP & ERP DON'T MATCH?

IMAGINE THIS:

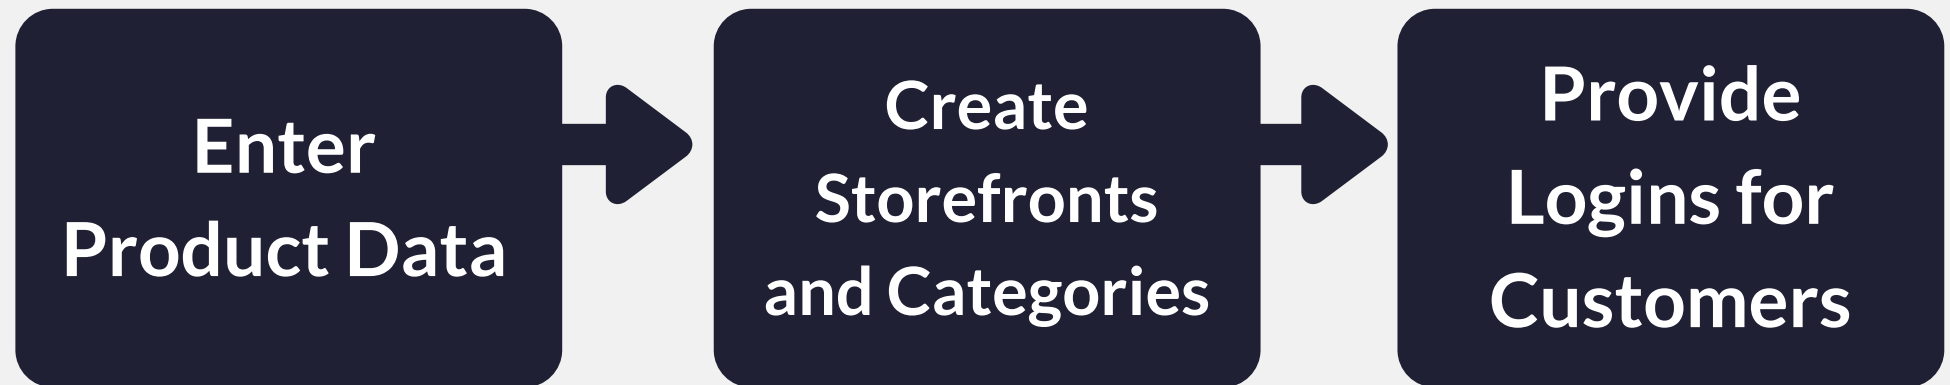

Suzy orders a widget from your website with a BOGO promo. You invoice them from your NAV/BC ERP. But it is missing the BOGO promo!

What's next?

- Your Customer Service has to make this right.
- Your Customer thinks your operations are lame.
- You need to win them back...again.

IT MAKES YOUR CUSTOMERS
HOPPING MAD!
